

**CITY OF IRVINE
MEMBER OF THE CITY COUNCIL**

MIKE HOUSE

AGE: 54

OCCUPATION: Businessman

Irvine First.

Last election 17,358 Irvine residents voted for me; for together we can save our cities budget, and re-focus our city values back to open and honest government representing villages, safety, schools and seniors.

I am a fiscal conservative.

As your City Commissioner and community activist I fought the El Toro airport. I will continue the fight. No CenterLine through our neighborhoods.

A graduate of the Leadership Institute and a proven City Planner I will re-establish Irvine's leadership. I will honor my word. Responsible Village Planning, Orange County Great Park Leadership.

As a former police officer and graduate of the Irvine Community Police Academy I will work diligently to enhance Public Safety.

As a member of the IUSD's Superintendent's Council, Citywide School Councils, and both Northwood and Woodbridge HS coach, I will invigorate support to our schools, our children.

I represent seniors. Boardmember I.S.F. and I.A.D.H.C.

I will protect our chosen quality of life. I pledge to be responsive to all Irvine residents and to have the courage to make tough decisions, independent of special interest pressures.

For over 20 years Irvine has been family, home, and business;

Help me protect our Irvine vision Vote Mike House
